

DANNON'S NUTRITION COMMITMENTS

MAY 2017

Reporting period: June 2013 – June 2016

Research & Education Reporting period: January 2014 – June 2016

Continuing to be true to our mission to bring health through food to as many people as possible, we have reached all goals of our commitment to the Partnership for a Healthier America.

NUTRIENT DENSITY

GOAL: By mid 2016, further improve the nutrient density of Dannon products by 10%.

ACHIEVEMENT

REDUCE FAT

GOAL: By mid 2016, reduce the amount of fat in Dannon products, so that 75% of products sold are low fat or nonfat options.

ACHIEVEMENT

REDUCE SUGAR

GOAL: Reduce the amount of total sugar to 23 grams or less (per 6 oz. serving) in 100% of children's and 70% of all products sold.

ACHIEVEMENT

RESEARCH & EDUCATION

GOAL: Invest \$3 million in nutrition education and research focused on healthy eating habits.

ACHIEVEMENT

\$3.3M invested in communication, partnerships and research grants
